**Energy Assistance & Weatherization Programs**

Energy Services of Sauk County offers programs to help income-qualified households manage energy costs and improve home energy efficiency. **Programs may include:** Energy Assistance for heating and electric bills; Weatherization services to improve home comfort and efficiency; Services available to both renters and homeowners who qualify. **Who may qualify:** Sauk County residents; Households meeting income guidelines

**Contact Energy Services of Sauk County:**

916 Eighth Avenue, Baraboo, WI 53913 Phone: 608-356-8887

Customers are encouraged to contact Energy Services directly for eligibility information and application details. The primary mission of Energy Services, Inc. is to provide limited-income families with the services and assistance necessary to prevent and or alleviate energy-related emergencies from occurring.

**Utility Bill Reminder**

Please keep in mind any payments made after the 27th may not show up on the current bill. If you paid after that date, the balance listed may not reflect your most recent payment. For any questions regarding your bill, please contact us at (608) 643-3932.

**Sign up for Autopay with us, completely free!**

Sauk City Utilities gives you the option of having your monthly utility payment automatically withdrawn from your checking or savings account. The direct withdrawal is **FREE**. If you would like to choose this option, please complete and return the autopay form on the reverse side of this insert and return it to our office. Save money on postage, late charges, and cost of checks! Convenient – no last minute trips to drop off payment! Payments are withdrawn from your account **on or around the 23rd of the month.**

**Check Your Water Temperature in Extreme Cold – Don't Let Your Pipes Freeze**

Normal groundwater temperatures are in the upper 40s and lower 50s. Use a thermometer that will measure low enough to check the temperature of the water at a point closest to where it enters the structure such as a faucet in a basement nearest the water meter. If the water temperature is close to 38°F or lower, contact the Sauk City Utilities as soon as possible by calling 608-643-3932.
